Report of Principal and School Improvement Council

Whale Branch Elementary School has had an outstanding school year. We have merged our program with James J. Davis Elementary, and the total school program is housed on both campuses. We extended our school year with the addition of twenty days of instruction designed to increase student achievement. MAP scores are up on each grade level, and the level of rigor has also been increased schoolwide. To continue to support the academic component of our school program, we partnered with the middle school in our cluster to present Literacy Nights to parents and students. We hosted our first-ever Family Writing Night, with guest authors and illustrators providing presentations to parents and students. Our wonderful staff worked with parents to focus instruction on pinpointed areas of need for our students based on the MAP test. Weekly planning meetings, a 200 day calendar, afterschool activities, parent sessions, Student Celebrations for Academic Improvement on MAP tests, and active involvement from PTO and SIC served to promote our school mission and goals.

The teacher and parent members of the School Improvement Council engaged in the development of our strategic plan, which focused on raising academic achievement in the area of social studies and science. This year 4th grade classes were departmentalized and students who were close to scoring Met or Exemplary on the PASS test received instruction from our gifted and talented teacher.

As a Red Carpet Award winner, Whale Branch Elementary School has made customer service a top priority. Students, parents, and community members have begun to feel that our school is truly a community school and that it belongs to each stakeholder.

All students were involved in community-service projects during the 2009-2010 school year, learning about the importance of citizenship and contributing to the community at large. Students raised funds for Haiti, Pennies for Patients, Leukemia, and for Relay for Life. With the support of the Kiwanis Club, we were able to continue our K-kids program that supports schoolwide service efforts. We were able to form a Cub Scout pack for the first time in the history of our school. Our students completed studies about Fire Safety, readers' theatre, habitats, and mining. These experiences gave our scouts an opportunity to apply their skills and learning to everyday life experiences. The school enjoyed grant funding for an afterschool program which provided transportation for the scouts, and we have applied for ongoing funds for the 2010-2011 school year.

All students received books through Reading is Fundamental (RIF), and parents received tips on how to work and read with their children at home. Books that were autographed by visiting authors and illustrators were provided to each child as well. Three additional book distributions were provided that added 20 books to home libraries. Students were able to choose these books during breakfast and lunch times. This will continue to be a focus as we go into the 2010-2011 school year.

Whale Branch Elementary School continued working with the Teacher Advancement Program (TAP) with ongoing professional development in the areas of effective teaching strategies and best practices. Staff development was provided in balanced literary, read-aloud, and independent reading. Professional development will continue during the 2010-11 school year, with a focus on guided reading, curriculum mapping, and formative assessments.

School Adequate Yearly Progress	YES
---------------------------------	-----

This school met 13 out of 13 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status	R-DELAY
---------------------------	---------

School Improvement Key	
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
